THE GRADUATING CLASS

# DEDIC

REV. FREDERICK W. KELLY, S.J.

The education and training of engineers is one of the major requirements for the development of Iraq, and Father Frederick W. Kelly, as Dean of the School of Engineering, has made a remarkable contribution to this vital need. Gifted with a reservoir of scientific knowledge that permeates the entire curriculum, he is eminently qualified to teach a variety of subjects and direct a program of studies that leads to perfection in the engineering profession. His insistence on high scholastic standards, combined with a sympathetic understanding of the academic problems of student life, have won the admiration and respect of all who have shared his counsel. But the bond of friendship between Father Kelly and the student body, fashioned in the classroom, was strengthened by his enthusiastic participation in the athletic events and religious activities of the University, and by his personal interest in the development of our character. Our association with him at Al-Hikma University has been a profitable milestone in our lives, and we are indeed privileged to register our tribute here and to express our lasting gratitude to him for his exemplary leadership during our student days.

# ATION

REV. LEO J. McDONOUGH, S.J.

It is a pleasure for the Class of 1967 to record on this page its heartfelt gratitude to Father Leo J. McDonough for his instruction, his guidance, and his friendship during our four years at Al-Hikma University. The spirit of generosity and the selfless dedication which characterized all his endeavors on our behalf have inspired us with profound sentiments of affection and esteem. The classroom, the social activities, and the athletic program are indebted to his enthusiastic direction and tireless efforts. Obligations that were exacting, responsibilities that were onerous, and the routine of school life were for him a source of exhilaration, and a cheerful smile and helping hand were the hallmarks of his character. As Dean of the School of Business Administration he has brought to his new office a wealth of experience, the fulness of his talents, and his warm understanding of the student body. We have been the beneficiaries of his labors during the past four years, and we leave the University with the fervent hope that his principles and ideals may be mirrored in our future lives.

REVEREND RICHARD J. McCARTHY, S. J.  
President al-Hikma University

## *The Academic Vice-President's Message*

*Dear Graduates of 1967,*

*Where will you be in the year 2,000?*

*You may smile at the question. You may picture yourself as old, old men or women by then. But why? By that date you will*

*still be comparatively young, only 33 years out of college!*

*As you enter the year 2,000 you will undoubtedly look back on your years at Al-Hikma. You may even page through this very yearbook. If so, a flood of memories will surge up in the heart of each of you, stirring your soul to its depth, and giving to your mind the clarity and warmth of a vision that cuts through what is superficial to penetrate to the heart of things.*

*“What contribution has Al-Hikma University made to me?” Undoubtedly this is one question that will arise within you, and with it, another: “What contribution have I made to others?”*

*We, at Al-Hikma University, hope that we have opened your minds to wisdom in an atmosphere of faith, of academic discipline, and of fraternal union. We hope, too, that you will open your lives in wisdom to the service of your fellow men, in a spirit of faith, intelligence and union.*

### ABDUL-REHMAN AMIR AL-KAMIL

Basra, Iraq

B. Sc. in Business Administration

Basra's gift to the Al-Hikma campus, Abdul-Rehman is a man of many talents. He excelled in the class-room, at tennis, and was the mainstay of the weight-lifting club. S.A.M. and debating were his principal outside activities, although at times he could be found listening to jazz or to Arab songs. He expects to become a chartered accountant in London.

## AL-HIKMA UNIVERSITY

### ADIB HINDI

Kirkuk, Iraq

B. Sc. in Civil Engineering

Beneath a serious exterior Adib hid a well-spring of fun and frolic. He was a member of the sodality, who also enjoyed football and volleyball. He read much while listening to soft music. He hopes to study concrete in the USA.

### AFAF ASKAR

Baghdad, Iraq

B. Sc. in Civil Engineering

Afaf will go down in Al-Hikma history as the third woman to receive her engineering degree. She was a hard worker, and well deserves such an honor. For relaxation she liked to swim, travel, and drive her car. You should see her coin collection. Her future plans are to work for a private company after graduation.

AHMAD AL-JAMIL

Baghdad, Iraq

B. Sc. in Business Administration

Ahmad is the class athlete who also enjoys participation in outside activities. He was a prominent member of S.A.M., and took part in dramatics. He will be noted for his prowess on the basketball and volleyball courts. He enjoyed tennis, track and swimming. With an eye on the social circuit he will travel into business life.

CLASS OF 1967

ANAHID MINASSIAN

Baghdad, Iraq

B. Sc. in Civil Engineering

Persevering amiable Anahid joins the growing list of lady engineers. She worked hard and long for her degree. She made many lasting friends while at Al-Hikma. She will miss the canteen, the library, the laboratory, which she will exchange for work with private industry in Iraq.

ANTRANIK YERWAND ADAMIAN

Basra, Iraq

B. Sc. in Civil Engineering

A popular figure on campus was Antranik. He was a faithful member of S.A.M. As a change of pace from studies, he busied himself with music, swimming, and table-tennis. Reading, drawing, and chess, he saved for the quiet hours. He will continue studies in concrete design abroad.

#### ARMEN SOSSIKIAN

Kirkuk, Iraq

B. Sc. in Business Administration

Beneath his beatnik beard unconventional Armen possessed a skill for accuracy and detail. He was a member of S.A.M., and the social club. He indulged occasionally in intramural sports, when not reading or playing chess. His ambition is to become a chartered accountant.

#### ARSHAM MIRZIAN

Baghdad, Iraq

B. Sc. in Business Administration

Suave competent Arsham had the mind of a philosopher, and the acumen of a business man. He enjoyed S.A.M.'s visits to business concerns, and liked outdoor philosophic discussions. He kept fit by participating in intramural sports, when not reading or playing chess. He would like to become a chartered accountant and work in Iraq.

### AL-HIKMA UNIVERSITY

#### AYMAN BASHIR

Baghdad, Iraq

B. Sc. in Business Administration

Able Ayman was elected president of the debating society with unanimous approval. He was a charter member of S.A.M.. His hobbies include tennis, ping-pong, swimming, reading and music. After studies in industrial management in the USA, he will return to work in Iraqi industries.

AWNI RASHAD SAID

Jerusalem, Jordan

B. Sc. in Civil Engineering

Hard working Awni conquered all his courses with acclaim. He was a member of the senior engineering society, and of the science academy. When not working on H.U.T. (Hikma Tribune) he could be found playing volleyball, or ping-pong, or listening to good music. He will continue studies in concrete structures.

DAVID ABDUL-NABI

Baghdad, Iraq

B. Sc. in Civil Engineering

Durable David enjoyed the heights of scholarship while at al-Hikma. He excelled in tennis, swimming, and basketball. He loved a good book and good music. He desires to study reinforced concrete in the USA.

CLASS OF 1967

DLEIR MOHAMMAD ABDUL-RAHMAN

Sulaimania, Iraq

B. Sc. in Civil Engineering

With his ready smile and generous spirit Dleir was a delight to have on campus. He enjoyed working on H.U.T., reading and playing chess. He is a man who will return to the land and use his engineering degree to develop farmland in Sulaimania.

### DHANANJAY LAXMAN DUGAL

Baghdad, Iraq

B. Sc. in Business Administration

Dhananjay devoted much of his time to study and sports. He was a faithful member of S.A.M., and of the social club. Intramural sports kept him physically fit for a go, now and then, at cricket. He liked to travel by train, and to collect strange coins. He has yet to decide on studies in the Near East or India.

## AL-HIKMA UNIVERSITY

### EDWARD GEORGE

Baghdad, Iraq

B. Sc. in Business Administration

Ever-ready Edward was an able debater, as well as an excellent forward on the basketball team. He was an all-around sportsman who liked to trip the light fantastic on the dance-floor. After graduation he will join the businessmen of Baghdad.

### EMMANUEL FRANCIS

Baghdad, Iraq

B. Sc. in Business Administration

Emmanuel was ever willing to extend generous help and to do a magnificent job no matter what the task: dramatics, sports, debating, social club. He was outstanding on the basketball team, and in the cage for the footballers. No one wanted to run the longer distances in track with him for fear of defeat. After completing his military service he will work in Baghdad.

ESTHER JOHN BADAL

Baghdad, Iraq

A.B. in English

Quiet serene Esther radiated a spirit of calm and efficiency. Her many friends on campus will miss her after June. She was a steadfast member of the yearbook staff and of the philosophy circle. She played volleyball and basketball with vigor. Reading, singing, and music she lists as her hobbies. Her plans call for further studies in educational psychology in the USA.

CLASS OF 1967

FAKHRI JAMIL BOURACHI

Baghdad, Iraq

B. Sc. in Civil Engineering

Fakhri is a prime example of a fine fellow once met, and never forgotten. He sharpened his scientific judgment in the math and engineering clubs, and articulated those judgments in debate, and at the cinema club discussions. He was addicted to tennis, swimming, and jazz music. After experience in the field as an engineer he hopes to pursue studies in structural design either in America or the UK.

FAKHRI WADI' YONU

Baghdad, Iraq

B. Sc. in Civil Engineering

One of our outstanding Gulbenkian scholars Fakhri enjoyed the admiration of all. He was a faithful sodalist, and an ardent debater. His other activities include membership in the scientific, philosophic, and engineering clubs. For relaxation he played ping-pong, and read much. His ambition is to study structural design in the USA.

### FARIS NASIR THOMAS

Baghdad, Iraq

B. Sc. in Business Administration

A serious student whose attainments speak for themselves, Faris enjoyed his years at Al-Hikma to the full. He was a member of S.A.M., and of the sodality. Football and track were his best sports. He loved music and travel, and expects to travel to the USA for a master's degree in industrial management.

### FERIAL MUSAFFI

Baghdad, Iraq

B. Sc. in Business Administration

Ferial has always been among the first. She has been first in her class; has entered the state of matrimony first. And she is the first to assure us of population for the class of 1984. When not busy at the books, and at home, she finds time for a game of tennis, or ping-pong. She wants to pursue the study of languages.

## AL-HIKMA UNIVERSITY

### FREDDY E. AL-ANI

Baghdad, Iraq

B. Sc. in Civil Engineering

Fast driving Freddy has set a furious pace while at Al-Hikma. He has pursued his studies with ardor and success. For a change of pace he played ping-pong and volleyball. He reads much, and listens to the best in music. His ambition is to set speed records in whatever he does. He wants to continue his studies in reinforced concrete abroad.

FOUAD HANNA

Jerusalem, Jordan

B. Sc. in Civil Engineering

Jordan's contribution to the Al-Hikma campus is a reliable reticent man. Fouad played well at football, and relaxed in the swimming pool. He enjoyed a picnic, a hunt, and reading. He will work for a year to gain experience, and then go for graduate studies to the USA.

FUAD JACOB

Baghdad, Iraq

B. Sc. in Civil Engineering

Well-balanced Fuad flew to campus each day on his faithful motorcycle. He was an all-around sportsman from track to weight-lifting. Boxing and wrestling kept him fit for study. He ambitions a future in the study of steel designing in the USA.

CLASS OF 1967

GEORGE HAIK

Baghdad, Iraq

B. Sc. in Civil Engineering

A genial gentleman at all times, George accomplished much in all his endeavors. His favorite sports were tennis, basketball, and volleyball, and occasionally, baseball. He liked to read history and to know the facts. He will probably study highway engineering in the USA or UK.

HABIB SIMON GABRIEL

Basra, Iraq

B. Sc. in Civil Engineering

Habib was one of the happiest men at Al-Hikma. He enjoyed great success in his studies and in sports. He participated in many activities including S.A.M., debating, the science club, and the cinema group. His love for travel will take him to the University of Sydney, Australia for highway engineering.

## AL-HIKMA UNIVERSITY

HAMID PAULUS ATTISHA

Baghdad, Iraq

B. Sc. in Civil Engineering

Always a class leader Hamid will go far in all his ambitions. When not in lab., he could be found on the volleyball or basketball courts. He enjoyed all sports and films about sports. Music soothed him. He will apply for higher studies in structural design in America.

HANAA SALMAN AL-DELOOMY

Baghdad, Iraq

B. Sc. in Business Administration

One of the most popular personalities on campus, Hanaa won many friends and established lasting friendships. She was an officer in S.A.M., and a prominent member of the social club. She played a good game of tennis, and volleyball. For relaxation she read the best, or planned decorating. She plans further studies abroad.

HATIM ASKAR

Baghdad, Iraq

B. Sc. in Civil Engineering

The strong silent type, Hatim will prove that still waters run deep. He was a great sport's enthusiast, with football his finest sport. He has an enviable stamp collection, and reads much history. After graduation he will be a resident engineer in Baghdad.

CLASS OF 1967

HAZAR H. SHEMDIN

Zakho, Iraq

B. Sc. in Business Administration

Under her quiet demeanor Hazar hides a volatile nature that can erupt in kindness and charity. She was an ace photographer for the yearbook, and a regular member of S.A.M. For exercise she indulged in swimming, tennis, and volleyball. She intends further studies after a taste of work in Baghdad.

HAZIM AL-UMAR

Baghdad, Iraq

B. Sc. in Civil Engineering

This handsome gentleman spent four happy years at Al-Hikma. Hazim added skill and finesse to the volleyball team, and was outstanding in baseball and track. Music delighted him. He hopes to attend graduate classes in the USA.

HENRY ISHU

Baghdad, Iraq

B. Sc. in Business Administration

Henry's quiet unassuming manner belies a steady determination to succeed over all obstacles. He was a member of S.A.M., and of the debating society. He played an exciting game of football, and occasionally could be seen on the tennis court, or at the ping-pong table. He will continue studies in accounting in the USA.

HILAL OHAN STEPHAN

Baghdad, Iraq

B. Sc. in Civil Engineering

An industrious and determined student Hilal had a very successful career at Al-Hikma. His activities outside class included S.A.M., and debating, tennis and volleyball. He read, listen to music, and sang with gusto. He will study sanitary engineering in the USA.

AL-HIKMA UNIVERSITY

HRATCH KOUYOUMDJIAN

Baghdad, Iraq

B. Sc. in Civil Engineering

Serious and resolute Hratch worked hard and long for all he attained at Al-Hikma. He was a ready debater, and an intramural sports enthusiast. He had a flair for dramatics and music. He is determined to continue his studies of concrete in the USA.

### IMAD KHUDHIR

Baghdad, Iraq

B. Sc. in Civil Engineering

Science and space have always intrigued Imad. He was a devoted member of the math club, and of S.A.M., and the science club. Intramural sports, especially volleyball and tennis, kept him in shape for study and sports. He hopes to travel to America for graduate studies in methods of construction.

### IMAD KIESO

Baghdad, Iraq

B. Sc. in Civil Engineering

High-spirited and quick-witted Imad made many lasting friendships at Al-Hikma. When not found at table tennis, he could be discovered in the library behind the heaviest books. His stamp collection is one of the best. He expects to work in Baghdad and later study highway engineering.

## CLASS OF 1967

### INTISAR YOUSIF NASSIR

Baghdad, Iraq

B. Sc. in Business Administration

Quiet unobtrusive Intisar pursued her studies with steady success, while radiating serenity and contentment. She was a member of S.A.M., truly interested in management. When not walking on campus, or at the canteen, she was in the library reading the best in literature. She will join the business managers of Baghdad.

IYAD FATHI SAID

Baghdad, Iraq

B. Sc. in Civil Engineering

Iyad was a most interesting and capable classmate. Science and mathematics were his favorite pursuits. He worked out occasionally at intramural sports with emphasis on volleyball. He will try to master concrete design in the USA.

## AL-HIKMA UNIVERSITY

JACK SAWDAYEE

Baghdad, Iraq

B. Sc. in Civil Engineering

Whenever the Dean was making up his list of scholars he always included the name of Jack Sawdayee. He excelled in debating. He also found time for the science club, for weight-lifting, swimming, music, and much reading. After graduate studies in construction design, he will work for a local firm.

JAMIL EIZER

Baghdad, Iraq

B. Sc. in Business Administration

Another accomplished scholar and gentleman was Jamil. He was a Gulbenkian scholar with a myriad of interests: S.A.M., yearbook, camera club. For the quiet hours he preferred chess, music and reading; for the active hours tennis or ping-pong. He will strive for a master's degree in economics.

JOHNNY ALBERT BURJONY

Baghdad, Iraq

B. Sc. in Civil Engineering

Genial Johnny will be remembered and missed by all at Al-Hikma. He was a faithful sodalist sincerely interested in people. He was a member of S.A.M., the senior engineering society, and the cinema club. When not listening to music he was reading a detective story for relaxation. He will study soils or road construction for a master's degree.

CLASS OF 1967

JULIET SULAIMAN

Baghdad, Iraq

A. B. in English

Fair Juliet was the delight and joy of the campus. She enjoyed music and philosophy. She played a good game of volleyball and tennis. She will be remembered for her wit and chatter. New York will welcome her to graduate studies for a master's in education.

JUNAYA AL-BAYAA

Baghdad, Iraq

B. Sc. in Business Administration

Though slight of stature Junaya was strong in influence, and won many friends at Al-Hikma. She enjoyed a S.A.M. visitation to local business firms. Ping-pong, reading, and bench-chatter were favorite occupations. She wishes to do further studies in business administration.

### KAWTHAR NAZHAT

Baghdad, Iraq

B. Sc. in Civil Engineering

To the growing list of lady engineers Kawthar's name must be added. She worked long and hard for her degree. She took a little time out for tennis, music, and reading. She made a hobby of sewing. To obtain a higher degree in structures in England is her ambition.

### LAYLA GEORGE TUMA

Baghdad, Iraq

A. B. in English

Layla could always be found in animated conversation with the others of her class. She enjoyed philosophy and a good debate. She was always ready for a picnic, as well as a game of tennis or badminton. After attaining a master's degree in English she expects to teach.

## AL-HIKMA UNIVERSITY

### LILIAN BASHIR

Baghdad, Iraq

B. Sc. in Business Administration

Lovely Lillian was quiet and demure in class and on campus. She often made the Dean's list. Membership in S.A.M. she coveted. In season she could be found swimming, or playing tennis, or listening to music. She wants a master's degree in statistics before entering the business world.

LINDA AL-ANI

Baghdad, Iraq

B. Sc. in Business Administration

Linda was a leader from her freshman to senior year whose intelligence was admired by all. She and her brother Freddy have set many enviable records while at Al-Hikma. She enjoyed a game of tennis, and the reading of a good book. Further studies in accounting beckon her on to the USA.

MABLE GOODSIR

Baghdad, Iraq

B. Sc. in Business Administration

Mable's quiet unassuming appearance hides a creative personality that has won her many lasting friends. She has made a hobby of painting, and collecting antiques. Classical music soothed her. She was a member of S.A.M., and the music club. Her work as summer secretary in the Admissions office has prepared her well for work in Baghdad.

CLASS OF 1967

MUFID HASSO

Baghdad, Iraq

B. Sc. in Civil Engineering

Efficient steady Mufid will carry the Al-Hikma mold well. He was a prominent member of the sodality for four years. His hobby was a game of scrabble or chess. His plans call for military service before he starts his engineering career in Baghdad.

MUFID SABBAGH

Baghdad, Iraq

B. Sc. in Civil Engineering

Genial and masterful Mufid had a most successful career at Al-Hikma. He enjoyed all intramural sports with special preference for weight-lifting. He claims great equestrian skill. The quiet hours he filled in with reading and music. He plans further studies in soils or concrete, probably in England.

## AL-HIKMA UNIVERSITY

MUNA H. HASSO

Baghdad, Iraq

A. B. in English

Industrious diligent Muna drove to campus each morning from Hindiya. She made many friends at Al-Hikma. Her membership in S.A.M. she coveted. Reading the best in literature, and listening to classical music were her means of relaxing. Her future is at present undecided.

MUNIB MURAD AL-SHAIKH

Baghdad, Iraq

B. Sc. in Business Administration

Competent cooperative Munib in his quiet mild-mannered way won countless friends on campus. He was a yearbook representative, and a member of S.A.M. Intramural sports and socials broke up his study routine. He will study for a master's degree in statistics.

MUNTHIR MAHMOUD

Baghdad, Iraq

B. Sc. in Business Administration

Munthir has an international outlook which accounts for his varied activities. He worked on the Al-Jamii magazine, and was a devoted member of S.A.M. He towered above others on the volleyball court, and in swim trunks. His love of travel, study, and people lead him to study international economics.

CLASS OF 1967

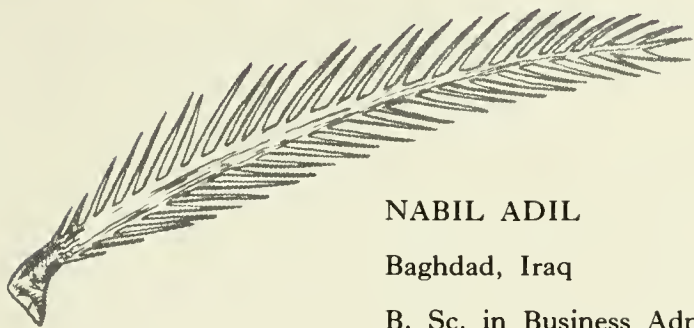

MUWAFFAQ SAID DINNO

Baghdad, Iraq

B. Sc. in Business Administration

Always ready for a good debate Muwaffaq made his jovial presence felt on many occasions. He was an active member of S.A.M. His love for organization shines forth in his coin collection, and in his stamp album. He plans to continue his studies for a master's degree in industrial management.

NABIL ADIL

Baghdad, Iraq

B. Sc. in Business Administration

Everyone's friend Nabil was a popular figure on campus. He was an ace photographer who rose to be editor-in-chief of the yearbook. He participated in debate, drama, S.A.M., and the music and philosophy clubs. His winning javelin throw crowned his track career. He will study for his master's degree abroad in business administration.

NABIL YUSUF TOMINNA

Baghdad, Iraq

B. Sc. in Civil Engineering

Nabil comes from a long line of husky athletes, and has added his share to the family sports success. He was an anchor man on the track team with his shot-putting, discus throw, and javelin toss. He kept fit by weight-lifting and tennis. He plans a career as an hydraulics engineer.

NADIM PETER ANTOON

Baghdad, Iraq

B. Sc. in Business Administration

Dependable friendly Nadim rates high on the popularity scale. He was most active on campus in S.A.M., dramatics, and the sodality. For a change of pace he indulged in swimming, tennis, and reading. His stamp collection is one of the best. His future studies are yet to be decided.

AL-HIKMA UNIVERSITY

NADIRA NAIM MATTAR

Baghdad, Iraq

B. Sc. in Business Administration

Nadira was her natural self at all times. She worked hard to start the first campus newsletter H.U.T. Her activities were most varied: tennis, volleyball, ping-pong for exercise and fitness; reading, painting, and piano for cultural outlet. She will do further study, and hopes for a career in the diplomatic corps.

NAJAH AKKAM

Baghdad, Iraq

B. Sc. in Civil Engineering

Najah always had a flair for the unexpected. He delighted in a good debate, and participated in all activities of the engineering society. He couldn't pass the ping-pong table without lifting a racket. His desire is to study structural design in England.

NAJLA TAWFIQ QASSIR

Baghdad, Iraq

A. B. in English

Najla has a penchant for poetry and travel. She will go far. She enjoyed flights of fancy in the music club, and in her reading. On occasion she played some tennis, or ping-pong. Further studies in psychology might occupy her future in America.

CLASS OF 1967

NAJLA RASSAM

Baghdad, Iraq

A. B. in English

Najla has found her station in life even before graduation. She has spent four happy years at Al-Hikma, and will spend a lifetime of happiness in the state of matrimony. Dramatics and debating acclaim her. Child psychology will be the next thing she masters.

NESREEN ZAYYOUNA

Baghdad, Iraq

B. Sc. in Civil Engineering

Nesreen is another who added glamour to engineering. She more than held her own in debate, and took delight in S.A.M.'s tours. She loved to sew while listening to good music. She will strive for a degree in architecture, probably in England.

## AL-HIKMA UNIVERSITY

NIDHAL JAWAD AHMED

Baghdad, Iraq

B. Sc. in Business Administration

Few and far between are the precious people like Nidhal who quietly influence others. She loves to listen, and to help. Her interests run to S.A.M., volleyball, and ping-pong. For the future she is ready to work immediately after graduation either in Baghdad or Hillah.

NUBAR KERESTEDJIAN

Baghdad, Iraq

B. Sc. in Civil Engineering

Tall in talent and wit Nubar was designed for great heights. His scientific bent led him to the science club and to the engineering society. His business instinct was satisfied in S.A.M. Restless energy was worked off in debate and in the hydraulics research unit. He will go on for a master's degree in structural engineering.

NURI ASKAR

Baghdad, Iraq

B. Sc. in Business Administration

Every class benefits by having strong steady dependable members. Nuri more than made his presence felt in class and on the football field, as well as the basketball and volleyball courts. When not collecting proverbs he was on a junket with the social club. He declares his future is in work with the government.

CLASS OF 1967

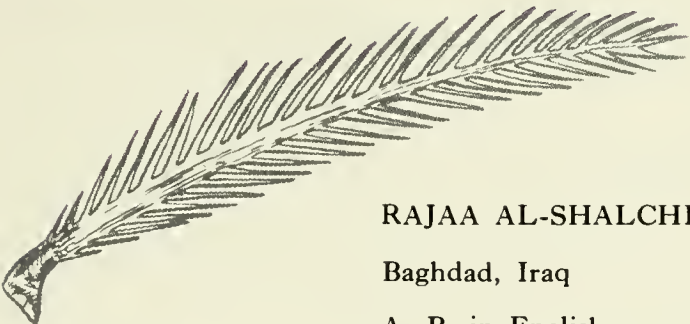

QURAISH YUSUF

Baghdad, Iraq

B. Sc. in Civil Engineering

Quiet but resolute Quraish was always a man of purpose and decision. He planned many a stage production, and was a prime-mover in starting the Al-Hikma University Tribune. His interests run to football, baseball, and classical music. After military service he will pursue graduate work in civil engineering abroad.

RAJAA AL-SHALCHI

Baghdad, Iraq

A. B. in English

Rajaa has been remarkable for her steady, even disposition, and all-around helpfulness. She was always in attendance at music club sessions. Tennis, travelling, and reading filled out her leisure moments. Painting and learning foreign languages are among her accomplishments. Her future is yet to be decided upon.

### RASHID AL-RUMANI

Baghdad, Iraq

B. Sc. in Business Administration

Rashid was ever-ready for business or pleasure. He helped to prepare H.U.T., and was prominent in the social club. Debating and S.A.M. accounted for his other activities. Possessed with all the qualifications of a good accountant, he will explore further studies along that line in London.

### RAVENA TOMA

Baghdad, Iraq

B. Sc. in Business Administration

Ravena's fine competitive spirit has won her many medals on the field of track, and in the estimates of her classmates. She has worked hard, and has been able to smile through many hard situations. S.A.M., the social club, and all athletic teams claim her membership. She plans to work for a private company in Baghdad immediately after graduation.

## AL-HIKMA UNIVERSITY

### RAZMIK KHACHADURIAN

Baghdad, Iraq

A. B. in English

Razmik has been the envy of his class for a long time. His prominent position as head of the male section of L.A. has brought him many blessings. He debated with the best, and grouped with the most sociable and philosophical. He enjoyed intramural sports and read much. If he doesn't pursue a master's degree in English he will work here in Baghdad.

RIADH AWAD

Baghdad, Iraq

B. Sc. in Business Administration

Thoughtful generous hard-working Riadh was one whose judgment was always respected by all. He played a good game of football, and swam with ease. Saturday's S.A.M. outings always found him present. His plans call for persevering study to become a chartered accountant.

SAAD ABDUL-RAHMAN

Baghdad, Iraq

B. Sc. in Civil Engineering

Strong steady Saad has persevered through his courses to reap the reward of his degree. His interests varied from S.A.M., to the science and mathematics clubs. Any sporting event would find him present, either as a participant or spectator. Arabic music soothed him. Graduate studies in concrete design are his future plans.

CLASS OF 1967

SAADI AL-JUBOORI

Baghdad, Iraq

B. Sc. in Civil Engineering

Soft-spoken Saadi has been much appreciated by all at Al-Hikma. His steadiness and perseverance have been admirable. He enjoyed all sports, mostly as a spectator. He was a member of the senior engineering society. Chess and reading were his forms of relaxation. After military service he wants to work in Baghdad.

### SALAM ABDUL-WAHAB MIRJAN

Baghdad, Iraq

B. Sc. in Civil Engineering

A man with a mind for detail Salam emerged as an accomplished engineer. He was the epitome of an Al-Hikma gentleman, interested in all and everything. He was a member of S.A.M., and of the science club. A workout at intramural sports kept him in good condition. After further studies in civil engineering abroad he will return to work in Iraq.

## AL-HIKMA UNIVERSITY

### SALWA JABBOUR

Baghdad, Iraq

B. Sc. in Civil Engineering

For her senior year Salwa added a course in cooking and housekeeping to her engineering courses. She showed up well in debate and on S.A.M. excursions. She enjoyed her years at Al-Hikma to the full. After graduation she will work in Baghdad as a lady engineer.

### SAMI YOUSIF SHUNIYYA

Baghdad, Iraq

B. Sc. in Business Administration

Sami was always full of suggestions which often enough proved most helpful. He coveted his membership in S.A.M., and on the yearbook staff. When not tinkering with a car he played a passable game of basketball. He plans to promote the Iraqi economy as a statistician when he acquires his master's degree.

SASSON FRANK

Baghdad, Iraq

B. Sc. in Civil Engineering

Sasson was a spirited and competent member of the class. He was strong in track and swimming. The intramural sports program will miss his enthusiasm. His musical tastes range from classical to jazz. He will join his brother David as a twin engineer combination.

CLASS OF 1967

SHAMIL FRANGOUL

Baghdad, Iraq

B. Sc. in Civil Engineering

Shamil may be small of stature but is known for his giant accomplishments. He was most prominent in the senior engineering society, but could be seen everywhere on campus, at the ping-pong table, playing tennis, or supporting with his presence all sports programs. He hopes to continue his studies abroad.

SHIRAM SURIN KOJAIAN

Baghdad, Iraq

B. Sc. in Civil Engineer

Pleasant and affable at all times Shiram won the admiration of all for consistent persevering performance. He played an excellent game of tennis, and participated in intramural sports. Music and reading gave him pleasure and profit. He hopes to study abroad and then return to work in Iraq.

### SHIRLEY MURAD AL-SHAIKH

Baghdad, Iraq

A. B. in English

Beneath Shirley's silent demeanor stirs a soul of thoughtfulness and kindness. She will be greatly missed from campus. She preferred the quiet interests of listening to good music, or profitable reading. Her future plans are undecided but Iraq will be the better for her presence and contribution to progress.

### SHLAIMUN IBRAHIM

Baghdad, Iraq

B. Sc. in Business Administration

An industrious and determined student Shlaimun won all his battles with the books. He was a member of S.A.M. who enjoyed all outings. He played an admirable game of football. Swimming, basketball, music, and fishing were his other diversified interests. He plans further study in Australia.

## AL-HIKMA UNIVERSITY

### SIROON APEL VARJABEDIAN

Baghdad, Iraq

B. Sc. in Business Administration

Amiable Siroon cast a long shadow on campus that will be sorely missed. She was a willing cooperative worker for S.A.M., the social club, and the yearbook. Philosophy intrigued her. She carried the volleyball, basketball and tennis teams to great heights. She will study either philosophy or accounting abroad.

SU'DAD J. STEPHAN

Baghdad, Iraq

B. Sc. in Civil Engineering

Practical resourceful Sudad was the man behind many activities. He participated in debating and in the senior engineering society programs. He was a senior editor of H.U.T. A workout on the track kept him in shape for further work. He expects to study structures in England.

TAFAOL GEORGE SLIM

Baghdad, Iraq

A. B. in English

Artistic talented Tafaol enjoyed every year at Al-Hikma. She was an ardent debater, and a thoughtful member of the philosophy club. When not reading, swimming, or listening to music, she enjoyed a game of volleyball. Her desire is for philosophic studies in America.

CLASS OF 1967

TAHIR BAZIRGAN

Baghdad, Iraq

B. Sc. in Business Administration

The man whose great presence is felt everywhere at all times is Tahir. His humour and quick wit have made many a project prosper. He is president of S.A.M., and a member of many clubs including: social, camera, and debating. He is senior business manager of the yearbook. His strong support for all activities has been greatly appreciated. He seeks further studies abroad in business administration.

### VIVA SALIH ZAKI TAWFIQ

Baghdad, Iraq

B. Sc. in Civil Engineering

Vivacious Viva has contributed beauty and wit to her accomplishments in the field of engineering. The debating society, S.A.M., and dramatics have been enhanced by her presence and performance. She enjoys tennis and swimming, and a good book on philosophy. She has not yet decided to continue her studies abroad.

## AL-HIKMA UNIVERSITY

### WAFAA DAUD

Baghdad, Iraq

B. Sc. in Business Administration

Versatile artistic Wafaa has beautified the campus by her presence and by her paintings. She was an active member of S.A.M., and of the social and debating clubs. She will be remembered for her dramatic presentation of Cleopatra. She plans studies in management in the USA.

### WALID FARAJ

Baghdad, Iraq

B. Sc. in Civil Engineering

Hard-working Walid wound up near the top of his class. An outlet for his zeal was the science club. He sharpened his eye on the basketball court, and at the ping-pong table. Swimming, music, and reading were other forms of relaxation. Graduate studies in concrete in America will occupy his immediate future.

WASIM AL-MALAIKA

Baghdad, Iraq

B. Sc. in Civil Engineering

Witty Wasim has won over all obstacles in his quest for a degree. He glories in the science club. He was a firm supporter of intramural, sports, and of other university programs. Reading, music, and tennis were outlets for relaxation. He hopes to continue studies in the USA for a higher degree in reinforced concrete.

CLASS OF 1967

WIAM NAJIB AL-SHABKHOON

Baghdad, Iraq

B. Sc. in Civil Engineering

Wonderful Wiam from Wazeria has fulfilled an ambition in life : her degree as a lady engineer. She was vitally interested in research and newswork (H.U.T.) She participated in S.A.M., the engineering society, and debating. Painting, ping-pong, and photography were other interests. She will study abroad for a higher degree in structural design.

YERCHANIK MINASAKANIAN

Baghdad, Iraq

B. Sc. in Civil Engineering

Unique Yerchanik was the versatile artistic member of the class. He dealt with dramatics, debating, yearbook, and H.U.T. He worked off excess energy on the track. Painting, reading, swimming, and letter-writing were his hobbies. He has not decided where he will continue his study of reinforced concrete.

### YOUSIF DABBY

Baghdad, Iraq

B. Sc. in Civil Engineering

Yousif has the happy sense-of-balance of a juggler. His activities were legion: engineering society, debating, music, science, yearbook, photography, philosophy, and H.U.T. He was the first to publish his research on hydraulics. He will also be remembered for his dramatic presentations. He ambitions higher studies in structural design in the USA.

## AL-HIKMA UNIVERSITY

### ZAHIR ABBOSH

Baghdad, Iraq

B. Sc. in Business Administration

Zahir had a zest for the latest joke, and for a humorous recital. He was outstanding in dramatics, in S.A.M., and the sodality. He was a fine athlete and excelled in tennis. Music and swimming were his forms of recreation. He wishes to further his knowledge of manufacturing management.

### ZAID AL-AWQATI

Baghdad, Iraq

B. Sc. in Civil Engineering

Zaid was a steady dependable member of the class who applied himself seriously to whatever the task. He was an ardent supporter of intramural sports, and of all Al-Hikma activities. He will study for a master's degree in a phase of civil engineering he is yet to choose.

## To the Graduates of 1967

*On the day you graduate, you find yourself on another plateau. That is what graduation means, isn't it? You have mounted a greater distance than just another rung on a ladder or a step on a stairway.*

REV. LEO J. McDONOUGH, S.J.

*In your ascent in life, you are climbing something that has dimensions more like a mountain. After a few years you will look back at the gentle slopes and green valleys of youth, and see them from another perspective. Then the thorns and ruts and small obstacles on your path upwards will appear as part of an ideal picture.*

*The rest of the way will not be easy ; but we hope that the conditioning and the brief experience of University life have trained you take the future in stride. The rewards will be similar. Hard work will bring high marks: moderate endeavor, average results.*

*You will soon be called upon to exercise leadership. Do not shirk this duty. Noblesse oblige. Nobility begets obligation towards your country, your families, your school, and your fellow men. While you are working to maximize profit, do not minimize the great benefit you can bring to others. Good luck and God bless you.*

REV. FREDERICK W. KELLY, S. J.

## Graduates of 1967

*Since the Age of Stone, human progress has been conditioned by your professional forbears. By them have been rendered usable to mankind Nature's vast resources of material and energy. By them have been vitalized and turned to practical account the principles of science and the revelations of technology. Without this heritage of accumulated experience, your future efforts will be feeble indeed. To really be an engineer you must follow closely in their footsteps. Like them, you should take deep pride in your profession. You should be ready, when needed, to give your skill and knowledge without reservation for the public good. You should resolve to give the utmost in performance and fidelity to one who has engaged your services, as employer or client. To your fellow engineers you should pledge a life of integrity and fair dealing, tolerance and respect, and devotion to the standards and the dignity of your profession; with the consciousness, always, that your special expertness carries with it the obligation to serve humanity with complete sincerity. This is what it is to be an engineer. This is the charge that I give to you today.*

SODALITY OFFICERS AND COUNSELLORS

Under the moderating guidance of Father F. Kelly and Father J. Mac-Wade the Sodality met each Saturday evening at the Christian Cultural Center. The elected Board of Officers consisted of:

Fakhri Yono	—	Prefect
Nazar Qashat	—	Vice-Prefect
Hamid Attisha	—	Secretary
Samir Shamaan	—	Treasurer

A Day of Fun for Orphan Boys (below) — Starting Sodality Meeting with a Prayer (above).

Edward Faiq and Fakhri Yono plan Sodality strategy with Father MacWade and Father Kelly

Under various Committees: namely — Bulletin Board (Muayyad Jabri) — Catechism (Dhafir Elias) — Lectures (Hamid Attisha) — Library (Samir Shamaan) — Pamphlets (Nasrat Adamo) — Poor Collection (Makram al-Shaikh) — Mass (Johnny Burjony) — Sports and Socials (Nazar Qashat), the Sodality numbered amongst its accomplishments: 1. A study of liturgical and religio-ethical problems. 2. Organizing the University Poor Collection. 3. Days of recollection. 4. Teaching Catechism. 5. Tutoring program for those weak in studies. 6. Promoting Christian Unity. 7. Promoting a fun and field day for orphans. 8. Painting a Church in Baghdad.

Dhafir and Amir teach the young (above) — Sodalists help to paint a Church (below)

## ◆ CINEMA CLUB ◆

The Cinema Club of Al-Hikma was organized to train students to discern in the motion picture the good or bad, the artistry, or the lack of it. Through the viewing of many films the Club has endeavored to capture a variety of the multiple uses of the motion picture, and to emphasize the astounding potential of film techniques.

John Cafarelli, Moderator

The Music Club is an informal gathering of students who appreciate fine music. Interested students meet regularly in one of the University's classrooms to listen to recordings, and to discuss the music played. Thus a greater appreciation of good music is achieved.

Entranced Audience

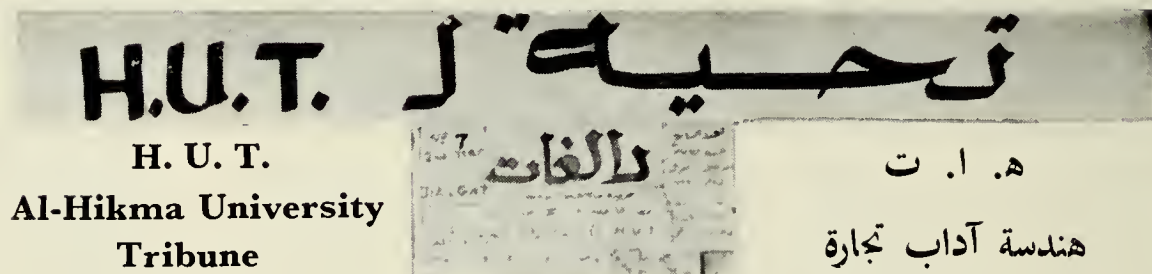

Yousif Dabby, Managing Editor

Usam Zeyyouna, Layout Editor

Rev. Robert B. Campbell, S.J., Advisor

The Al-Hikma University Tribune, H.U.T., is a campus magazine which is issued every other Monday. It consists usually of 16-18 pages (both Arabic and English).

The Editorial Board does all the work from selecting the articles submitted by the students to selling the magazine.

Many other students helped the Board. We mention here for commendation Samir Alwan who did all the handwriting for the magazine, and all the class representative who sold the magazine to their classmates.

This is the first time that Al-Hikma University has a regular campus magazine. The Editorial Board would not like to see it stop next year when four of its members will have graduated. Some reliable students from Freshman, Sophomore, and Junior years were appointed to the Board during the second semester in order to train them, and to introduce them to the difficulties they will encounter when they take over the magazine next year.

Tahir Bazirgan, Printing Editor

Tafaol Slim, Treasurer

Su'dad Stephan, Distribution

OFFICERS WITH MR. JAMROS, MODERATOR

*Top row:* Su'dad Stephan, Salwa Jarrah, Fakhri Yono.  
*Seated:* Mr. Jamros, Ayman Bashir, Najah Akkam.

Lucid thinking by our students is the prime aim of the Debating Society. Speakers have to fashion original arguments employing evidence and logic and focussing upon a precise point. Unlike Al-Hikma's other cultural activities, debates are competitive — a circumstance which stimulates each debater to refine the cogency of his reasoning and the clarity of its arrangement. By delivering his argument to an audience, the debater also improves in elocution and address.

TOPICS COMMITTEE

Jack Sawdayee, Azhar Shemdin, Prithviraj Talwar

## DEBATING SOCIETY

Enthusiastic audience listens to Freshmen Debaters (below)

Outstanding Debaters

Yousif Dabby observing

## HYDRAULICS RESEARCH PROJECT

The summer of 1966 witnessed a very noticeable activity at the Hydraulic Laboratory of Al-Hikma University. Two Research projects were conducted in Hydraulics dealing with:

1. Investigations on the seepage of salt-water into wells in the proximity of an ocean or sea. This research was carried by Jack Sawdayee and Nubar Kerestdjian. (HRU 1)

2. Experimental investigations on model overflow spillways. This research was carried by Wiam Najib and Yousif Dabby (HRU 2)

Both projects were directed by Mr. Qais Fattah, the Hydraulics Instructor at Al-Hikma University. The end result was two extensive dissertations which compiled the data and conclusion of these projects.

This type of research work was being done for the first time at Al-Hikma. The success it had and the great benefit the participants derived from it, as well as the increased interest in such projects, all point to the necessity of continuing this work further in the coming summers.

Wiam Najib testing

## Hydraulics Lab in action

Jack Sawdayee, President, Mr. Qais Fattah, Moderator  
and Awni Said, Secretary-Treasurer

S. E. S.

## SENIOR ENGINEERING SOCIETY

The Senior Engineering Society met regularly under the genial direction of Mr. Qais Fattah. Jack Sawdayee, President, and the Planning Committee arranged many projects for research and for display.

Jack at the controls

## SCIENCE CLUB

The Science Club is designed for the better students of Junior Engineering interested in later graduate studies. To join the club they must have a special interest in science, and have a high scholastic average. In their weekly meetings of the first semester the members designed and built transistor amplifiers, oscillators, and radios. They became quite fascinated with the transistors they were working with. In the second semester they will study and run our two analogue computers.

The members are :

Dhafir Elias, Emile Somikh, Edward Butros, Heskel Aslan, Mundhir Thomas, Premjit Talwar, Yvette Atrajji, A-Hadi a-Amir, Georges Dallal, Louis Shallal, Nasrat Adamo, Sirpuhi Apel, Alfred A-Azir.

## **Enduring as Swedish Steel**

From mountainous Bergslagen and desolate Lapland, Swedish iron ore travels down the sea lanes to the blast furnaces of the world. But much of the purest ore is reserved for Sweden's own famous steel-makers such as Fagersta, Uddeholm and Sandvik. Here the ore is transformed into pedigreed Swedish Steel — prized around the world for endurance.

Swedish business machines are also prized around the world for their

enduring quality. You will find them everywhere. And the odds are that the Swedish business machines you see most often are from Facit of Sweden.

This is because Facit of Sweden is one of the world's leading manufacturers of business machines, with exports to 130 countries — a truly international company, permanently on duty wherever you live.

# Short cuts for engineers

Chemicals and know-how from ICI save time and labour in many engineering processes. To degrease metal components (everything from car bodies to hypodermic needles), engineers use ICI trichloroethylene, a chlorinated solvent. Now ICI scientists have modified this chemical so as to solve another problem: how to dry metal quickly, after electro-plating, to a bright finish. 'Trisec' D, used in ICI drying plants, sweeps water off the surface of such articles as cigarette lighters and powder compacts, leaving them dry and completely stain-free without any hand-polishing.

*ICI's production of chlorine derivatives is only one facet of its manufacturing programme. From more than 100 factories throughout Great Britain come 12,000 chemical and allied products, ranging from medicines and dyestuffs to plastics and petrochemicals, from paints and weedkillers to fertilizers and synthetic fibres. And ICI's marketing organization brings these products to almost every country in the world.*

**LEBANESE INTERNATIONAL AIRWAYS**

Baghdad – Saadoun Street – Tel. 88271 – 88634

# It's easy to choose an airline once you've got the word.

## The word is experience.

More people fly with us than with any other international airline.

And many of these travellers can't tell you exactly why they choose Pan Am, trip after trip after trip.

Yet they know instinctively that they have done the right thing. It gives them a good feeling when they plan their trip. When they board their Pan Am Jet Clipper (R). When they

enjoy splendid in-flight service and superb cuisine by Maxim's of Paris. When they fly serenely and quietly at speeds that would have seemed incredible when we began flying 38 years ago.

And this good feeling can be yours.

Any time you choose to fly the very best there is.

طلاء  
انترلايت المطفي :  
يجف في ظرف ساعة واحدة ..  
يمكن وضع ثلاث طبقات منه  
تجف في ظرف يوم واحد .. سهل  
الطلاء .. يعطي سطحا ناعما  
كالحرير بدون أي أثر للفرشة .  
يحفظ بلونه في اشهر  
الاضواء لمعانا ..

طلاء  
انترلوكتس الخزفي :  
يعطي بريقاً مستديماً كبريق  
المجوهرات الثمينة ويحمي  
أشعة الشمس الحارقة ورطوبة  
الحرائق بالاملاح والادفنة  
الصناعية .

A friendly match at Al-Hikma football field

Football Team — 1967 — with Coach John Cummings

## FOOTBALL

As the football season draws to a close the 1966-67 team can look back on a season of informality and marked success. Already plans are underway for a banner season next year. Members of the 1966-67 Team were :

Ahmad al-Jamil  
Albert Baba  
Ashur Dick  
Dhia Elias  
Emmanuel Francis  
George Vartanian  
Michael Amru  
Munim al-Bassam

Nabil Francis  
Noel Ibrahim  
Nuri Askar  
Odai al-Tai  
Qais Faraj  
Raman Dick  
Sargon Warda  
Shadrak Shabbas

Football Stars in Action

Coach Kelly sends Ahmed against the Army

## BASKETBALL TEAM 1966-67

Ahmad al-Jamil  
 Albert Baba  
 Emmanuel Francis  
 George Yanni  
 Ghassan Hammy  
 Khalid Kilano  
 Nassir al-Abadi  
 Odai al-Tai  
 Suhaib Chilmeran  
 Vahe Gharibian

The 1966-67 Al-Hikma Basketball Team gave a good account of itself in all phases of play. Ahmad and Emmanuel will be missed very much next year.
